Dear Tony:

Congratulations on your run for the 9th Congressional District seat in California. I was so pleased to learn that you are working hard to represent fellow Americans on a national level. I have full confidence in your integrity and ability to make a difference by promoting solutions to the problems facing the nation.

Tony, I remember well the outstanding job you did as a United States Marshal and as a Member of the National Merit Systems Protection Board, and I am confident that you'll carry that same ingenuity and work ethic to your new position representing the good people in the 9th District.

Best wishes for a successful campaign. I look forward to working with you here in Washington.

Warmest regards,

Orrin G. Hatch
United States Senator
