The Honorable Antonio Amador  
Amador for Congress  
Post Office Box 1155  
Woodbridge, California 95258

Dear Mr. Amador:

National Right to Life is pleased to endorse you for election to the United States House of Representatives, to represent the 9<sup>th</sup> Congressional District of California.

Your positions on life issues differ sharply from the extreme pro-abortion positions of your opponent, Rep. Jerry McNerney, who has a 100% pro-abortion voting record in Congress. You support legislation to protect unborn children from abortion after 20 weeks, when they are capable of feeling excruciating pain during abortions. Rep. McNerney voted against that legislation (H.R. 1797, Roll Call No. 251, 6/18/13).

McNerney's pro-abortion position is so extreme that he is a co-sponsor of H.R. 3471, a measure so radical we refer to it as the "Abortion Without Limits Until Birth Act." This bill, if enacted, would invalidate nearly all state and federal limits on abortion.

You oppose taxpayer funding of abortion, while McNerney voted to allow taxpayer funding of abortions (H.R.7, 1/28/14).

Rep. McNerney voted to enact President Obama's health care law ("Obamacare"), which provides government funding for health plans that pay for abortion on demand, and will result in the rationing of lifesaving medical treatments. You are needed in Congress to help reverse the abortion-expanding and rationing effects of that law.

We look forward to working with you to protect the most vulnerable members of the human family – unborn children and medically dependent or disabled persons, whose lives are threatened by abortion or euthanasia.

All voters who support the right to life should vote to send you to the U.S. House.

Sincerely,
